

Accessibility Statement for Cardona Direct Primary Care

At Cardona Direct Primary Care, we are committed to ensuring digital accessibility for all users, including those with disabilities. We strive to continuously improve the user experience for everyone and apply the relevant accessibility standards to provide an inclusive online environment.

Conformance Status

The Web Content Accessibility Guidelines (WCAG) define requirements for designers and developers to improve accessibility for people with disabilities. These guidelines consist of three levels of conformance: Level A, Level AA, and Level AAA. Cardona Direct Primary Care's website is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content may not fully adhere to the accessibility standard.

Feedback

We welcome your feedback on the accessibility of Cardona Direct Primary Care's website. If you encounter any accessibility barriers or have suggestions on how we can improve accessibility, please contact us:

Phone: 904-551-4625

Email: assistant@cardonadpc.com

Mail: 10175 Fortune Unit 1101 Jacksonville, FL 32256

We aim to respond to accessibility feedback within [timeframe] and work promptly to address any issues.

Measures to Support Accessibility

Cardona Direct Primary Care takes the following measures to ensure accessibility:

Including accessibility in our mission statement.

Integrating accessibility into our procurement practices.

Providing continual accessibility training for our staff.

Assigning clear accessibility goals and responsibilities.

Limitations and Alternatives

Despite our best efforts to ensure the accessibility of Cardona Direct Primary Care's website, there may be some limitations. Below is a description of known limitations and potential solutions:

Known Limitation: third-party tools that may not fully comply with accessibility standards.

Potential Solution: Since we do not have control over the structure of these third-party tools, and are unable to modify them at all or to the extent that would accommodate every user of our website, we are not responsible for those elements which we do not control.

Compatibility with Browsers and Assistive Technology

Cardona Direct Primary Care's website is designed to be compatible with the following assistive technologies:

Browsers: Recent versions of Chrome, Firefox, Safari, and Edge.

Assistive Technologies: Screen readers and other assistive technologies that are compatible with the aforementioned browsers.

Assessment Approach

Cardona Direct Primary Care assesses the accessibility of its website through:

- Regular self-evaluations.
- In addition, whenever we receive clients' questions and suggestions, we evaluate the feedback to see if there is any accessibility error, and work on it immediately.

Ongoing Commitment

We are committed to ongoing improvements and regularly reviewing our website to ensure we meet or exceed accessibility standards.
